

Kodak

Adaptive Picture Exchange 30

Incredible versatility. Compact design.
Simply an exceptional value.

The ultimate
flexible and
scalable dry
lab solution

The All-in-One Compact Photo Shop from Kodak. The KODAK Adaptive Picture Exchange 30 (APEX 30) gives you great options to grow your business. Our new compact solution holds up to two of our KODAK 7000 Series Photo Printers — double the capacity for standard prints sized up to 6x8 in. Add a KODAK 8000 Series Photo Printer to deliver exciting new premium products in both 8x10 in. and 8x12 in. sizes. Ideal for low-mid volume printing opportunities.

KODAK Adaptive Picture Exchange (APEX) benefits include:

- More printing in less space*
- Low capital investment
- Proven, exciting new premium products from Kodak
- Reduced complexity and operating costs
- Efficiency that's 1-2-3 Easy - One sku delivers two finishes (gloss and new, improved satin) in three sizes (4x6 in., 5x7 in. and 6x8 in.)
- Trusted KODAK Quality prints that are stain resistant, waterproof and will last a lifetime**
- Incredibly easy to use - train your staff in less than an hour
- Produce Greener prints with less environmental impact - no processing chemicals, Consumes 70-90% less energy than comparable AgX minilabs***
